Faux leather, lips cast in aluminium

Tool belt, 2022
Leather

Glove construction, 2020
Process

Pattern-cutting and fitting on form,
2021
Process

Stills from the films made by LuzginaMcShane

Documentation of the Lark MK I project which was made in collaboration with Mike McShane as part of the artist duo LuzginaMcShane. In the spring of 2017 we built a concrete board on the roof of St Michael's Church in Deptford and made a short film about its journey from the roof to water.

Short film The Riot of Springs made in collaboration with Mike McShane as part of the artist duo LuzginaMcShane. It was commissioned by SLANT in 2021 for the 'Writing Bodies' event. The film features linguistic robotic sculptures operating within a maze-like custom built set.

Fabrication commission

Design and fabrication of the set and props for a theatrical rendition of The Time Machine by the Keeper's daughter theatre company.

Made in collaboration with Mike McShane as part of the artist duo

Design and fabrication of three different carbon fibre female urinal prototypes for Peequal (the first British female urinal company).

Work at MJM Bespoke and installation commission for Zima restaurant

Some projects completed as part of MJM Bespoke fabrication company for domestic and commercial fitted interiors, 2023

Permanent art installation at the ZIMA Restaurant in Soho. Designed, adapted and fabricated in collaboration with Mike McShane as part of the artist duo LuzginaMcShane in 2022.

Workshops and teaching

2016, Art lesson at Russian Gymnasium London

2023, GUT - 4 - CHAT with students from Chelsea College of Art

2022, Speaking Materials Workshop and pop up exhibition with NAFA Singapore exchange students.

2023, Chaotic Simulations Workshop with members of the STEAMhouse and the general public

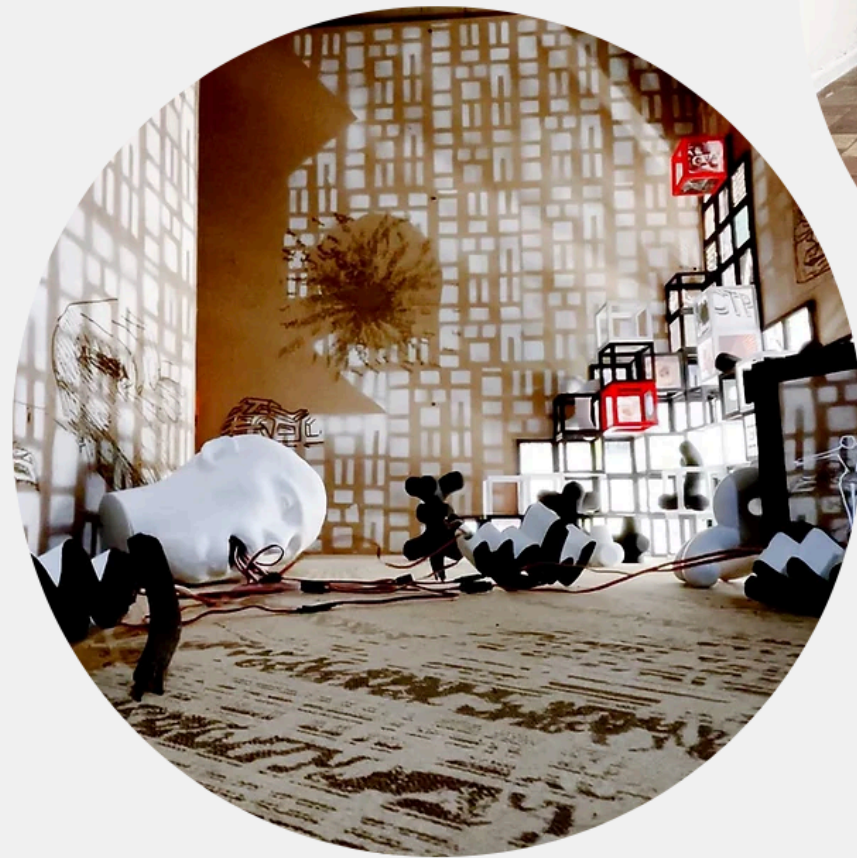

2019, Mutant Methods Workshop with students from Chelsea College of Art
